July 1, 2004

ATTENTION: All Concerned Parties

The Shiloh Cemetery Committee, in recognizing the cost of maintenance for a new grave and the ongoing care of the new grave site, have concluded that the fees for site maintenance should increase to \$70 per grave effective immediately. It is our hope that the increase in this fee will not adversely affect any family but will help to offset the cost and help reduce the overall need for donations to cover the cost of new grave sites.

Funeral Home Directors, If you collect this money in your overall fees, please be advised that this fee should be paid to the Cemetery Sexton at the time of the grave site visit in preparation for the service, or mailed to the Cemetery Committee Secretary-Treasurer, Mary A. Rice, 6107 CR 3122 S., Mt. Enterprise, TX 75681.

Family Members, if the Funeral Home you choose does not include this fee in their total package, then it is your responsibility to pay this fee to the Cemetery Sexton at the time of notice of an upcoming burial. You may mail your check to the Cemetery Committee Secretary-Treasurer, Mary A. Rice at the address above.

Please make checks payable to: Shiloh Cemetery, Mary A. Rice, Sec.-Treas.

Thank you for your understanding in this matter.

SHILOH CEMETERY COMMITTEE,

Mary A. Rice, Secretary-Treasurer
