1. Grave Opening and Closing in Shiloh Cemetery will be performed in a neat and orderly fashion, with utmost care being given to existing grave sites and the landscape.
2. Grave sites **WILL NOT** be Opened without the direction of the Cemetery Sexton – either by his physical presence or prior arrangements for marking of the grave site. The Sexton can be contacted at the phone number at the top of this form.
3. Acceptable completion of the grave sites will be :
 - a. Graves will be sufficiently packed on all sides prior to covering.
 - b. Mounding of the grave will be no more than **4 feet by 8 feet by 12-15 inches tall**.
 - c. The mound on the grave will be neatly rounded on the sides, and flattened on the top.
 - d. Excess dirt will be placed in the existing pile at the back of the Cemetery.

By Signing this Permit, I (the above named individual), accept and agree to the terms set forth by Shiloh Cemetery, in order to have permission to perform work in the Cemetery.
